

RESOLUTION NO. 7/6

WHEREAS on April 23rd, 1934, a bond election was held in the City of Lodi for the purpose of authorizing said city to issue bonds in the sum of \$520,000.00 wherewith to build a hydro-electric power plant upon the Mokelumne River together with transmission line, transformers and equipment connected therewith; and

WHEREAS a few days prior to said election one, Leonard F. Fuller, Professor of the University of California, wrote a report and whereas it appears that he furnished said report to certain citizens of the City of Lodi, who caused the same to be published in local papers in support of their opposition to said bond election; and

WHEREAS it appears that said bond election failed to receive the necessary two-thirds vote by a small margin; and

WHEREAS it appears that said report signed by said Leonard F. Fuller contains many statements which are opposite to statements and facts furnished to said city by its consulting engineers and by its legal counsel; and

WHEREAS the City Council of said city desires to have said discrepancies clarified;

NOW, THEREFORE, the City Attorney of said city is hereby authorized and directed to correspond with said Leonard F. Fuller and request him to furnish definite statements as to where he obtained the facts upon which said discrepancies are based and to the end that said discrepancies may be entirely clarified;

BE IT FURTHER RESOLVED That said City Attorney is hereby directed to obtain such information as may be necessary for the purpose of clarifying all discrepancies existing between the said

report of said Leonard F. Fuller and all other reports, and
the reports furnished by said city's consulting engineers and
legal counsel.

BE IT FURTHER RESOLVED That a copy of this resolution
and of such correspondence as may be addressed by said City
Attorney to said Leonard F. Fuller shall be furnished by said
City Attorney to the Board of Regents of the ^{University of the} State of California.
